Dear Business Owner:

Please refer to the mailing address for this letter to verify the Assumed Business Name application filed with the Lake County Clerk's Office.

On December 30, 2011, you filed an Assumed Business Name application in our office. Our records indicate that an original copy of the "Certificate of Publication" required by State law to complete an Assumed Business name filing was never submitted to this office.

If you provide proof that publication occurred within the required time period and that the "Certificate of Publication" was filed with the Lake County Clerk no later than 50 days from your original application was made, you will avoid the record being deleted. Failure to meet these requirements will render the Assumed Business Name application void and we will remove the unpublished Assumed Business Name record from our files.

If you have any questions, please contact us at (847) 377-2280 no later than 14 days from the date of this letter.

Sincerely,

Willard R. Helander
Lake County Clerk
